2024 ASD SCHOOLS SCREENING SCHEDULE

All screenings in the elementary schools will start at **9AM, (9:30 on Mondays)** unless another time is shown on schedule. Healthcare Services has asked the nurses to have all health screenings done before the end of the second quarter. We will do “pick-up” screening when needed (students missed at first screening at the school)

The ASD has suggested the following guidelines for their health screenings for vision:

Photoscreening- PreK, K, 1st and 2nd grade and those 3rd graders that failed distance acuity

Distance Acuity- 3rd, 5th, 7th, 10th and New to District for all grades and 1st graders that failed Photoscreening.

DA Criteria- For ages 3, 4, and 5: worse than 20/40 or a two line or greater difference Between the eyes (even if in passing range) is a referral.
For 6 years and older: worse than 20/30 or a two line or greater difference between the eyes (even if in passing range) is a referral.

**The nurse at each individual school has a choice of following the district’s suggested guidelines or having the Lions screen their entire school.
We are doing Acuity testing in 33 schools. We need extra volunteers in those schools.**

General Pre-School and Special Ed Pre-School Classes start and release times vary with each school. Check with the nurse at that school before scheduling.
